

1-Classify the different narrators of Brief encounter according to Genette's sub-category 'person' (Team 1: Pairs 1 and 4).

We find a **heterodiegetic** narrator at the beginning of the film, until Laura starts recalling her past story. This first kind of narrator is a covert one.

Then, we have an **autodiegetic** narrator: Laura. Here, the narrator and the main character are the same. It's a first person narration, as she's recalling past events that happened to her.
